INSTRUCTIONS:

1. **PREPARING COMPONENTS.** From Alphabet Scrapbook Paper, cut out the letters "MAINE MEMORIES" or letters as desired. Use Craft Stick Glue to attach each letter to a Wood Square. From Green Sponge Paper, cut eight (8) 3/8" x 3/4" triangles. Use Craft Stick Glue to attach each paper triangle to a Wood Triangle. Let dry. Use Hand Drill to drill a hole in the center of each Wood Triangle. Insert a Paper Fastener into the hole in Wood Triangle and fasten. Repeat for each Triangle. Use Craft Stick Glue to attach one Nature Sticker to one Wood Tag. Repeat for remaining two Tags. Insert a Paper Fastener into the hole in Wood Tag and fasten. Repeat for remaining two Tags.
2. **ASSEMBLE PAGE.** On Crackle Green Paper, use scissors to trim Paper to an 11 1/2" square. Center and attach Crackle Green Paper onto Green Sponge Paper. Referring to photo, lay Papers on work surface and arrange Photos, Scrapbook Mesh, and Wood Pieces onto Paper as desired. Apply Document Tape to back of Photos and position on paper. Apply Craft Stick Glue to Wood Triangles and position onto corners of Photo. Glue remaining pieces with Craft Stick Glue.
